## Hadley Industries Holdings Ltd

# HadleyFRAME - Light Steel Framing System

### SCI / NHBC Stage 1 System Certification

The Steel Construction Institute has assessed the structural aspects of the Hadley Industries Holdings Ltd, HadleyFRAME - Light Steel Framing System for Stage 1 – System Certification and confirms that it is suitable for use in the construction of dwellings in accordance with NHBC Standards Chapter 6.10 “Light steel framing”.

The system has been assessed for residential buildings up to 15 storeys high. The system uses light framing manufactured from cold-rolled steel galvanised C-sections for walls, floors and roofs.

To confirm validity, please visit the SCI Certification and Assessment website at [www.sci-assessed.com](http://www.sci-assessed.com).
